Attorneys

WELCOME

Holiday Inn Century City Chengdu, China

To celebrate the 10th anniversary of our BIPF (BRICS IP Forum), and in conjunction with the 2018 BRICS IP Office Commissioners meeting to be held in Chengdu, China, we will hold our 10th BIPF in Chengdu after the BRICS IP Commissioners' meeting.

The city of Chengdu is the provincial capital of Sichuan Province, located in the southwest part of China, and known as the hometown of Giant Panda. It is also the country's western center of commerce, finance, science and technology, and has become an "engine" of the Western Development Program.

The program of this Forum provides an insight on specific IP issues, It is important to note that the same issues are discussed with reference to the situation in each country enabling the participants of the Forum to compare the available options and direct their attention to those countries where the business may find better ways to develop with consideration also for the supply and demand situation. This Forum is aimed at helping promote orderly and free flow of economic factors, highly efficient allocation of resources and deep integration of markets, and achievement of economic policy coordination and IP policy harmonization, so as to implement the Belt and Road Initiative.

The program prepared for the Forum is designed for the IP owners and lawyers who wish and are ready to do business in the respective BRICS countries. It is focused on the procedures for obtaining and enforcing IP rights and will be an invaluable tool for those who wish to do business in the BRICS countries.
